Commissioner of Patents

- 1 The amendment filed 4/11/03 as paper no 13, is not fully responsive to the communication mailed 11/13/02 for the reason(s) set forth below:

The Amendment filed 4/11/03 as paper no 13 contains numerous changes to the claims which do not track from previous versions of the claims. For example claim 40 has been amended to remove the term "and" after "human antibody" but this term was never in the claim. In addition claim 40 has been amended to recite "of position 46" which was never in the original claim and the amendment does not have this phrase underlined. In addition, claim 48 has removed the term "human" after "reshaped" without indicating this. In addition there are numerous other alterations that do not tract with the original claims. Applicant's attention is directed to 37 C.F.R. 1.121, Manner of Making Amendments.

It is required that applicant proofread and carefully review the amendment filed 4/11/03, taking into account the claims as they are currently written and make appropriate changes as required, with a new amendment.

2. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS**, from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 CFR 1.136(a).
3. Any inquiry concerning this communication should be directed to Examiner Larry R. Helms, Ph.D., Art Unit 1642, whose telephone number is (703)306-5879. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.
